STYLE BRIDGE

CRAFT YOUR LOOK

About Us

Style bridge based in Dhaka, is a sourcing house of fashion apparel, specializing in woven, knit, and sweater categories. We proudly serve women, men, and children with a diverse selection of high-quality products. Our journey started with a team of passionate professionals, each bringing extensive experience in the apparel industry. As a rapidly growing company, we are committed to innovation and excellence, ensuring that our clients receive stylish and reliable fashion solutions.

Chairman

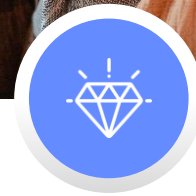

Sakila Aminul

We aim to be the gold standard for service in the global apparel industry, supporting both established and emerging brands. Our world-class sourcing and manufacturing, combined with exceptional execution, ensure we meet customer needs and build trust. With hands-on experience, we are committed to great design, innovation, teamwork, and delighting our customers.

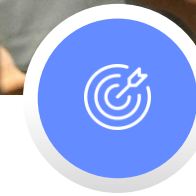

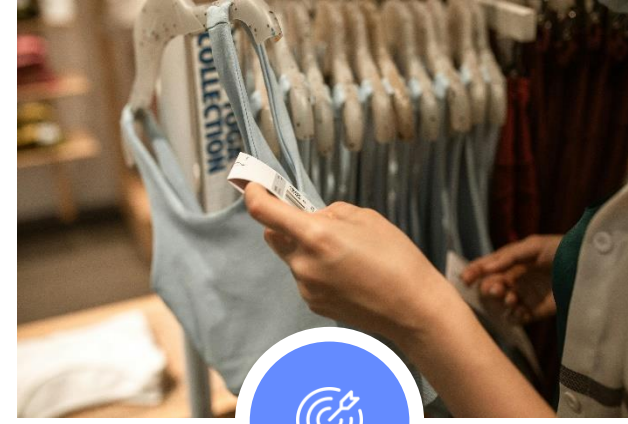

Mission And Vision

At Style Bridge, our core values—loyalty, respect, honesty, teamwork, and customer focus—form the foundation of our business, creating a culture of trust and partnership. These values unite our team in a shared commitment to problem-solving and delivering exceptional products, enabling us to build lasting relationships and consistently meet and exceed our customers' expectations. Together, we strive for excellence in every aspect of our operations.

Mission

Our goal at Style Bridge is to achieve customer satisfaction by delivering exceptional quality, ensuring efficient lead times, and offering the most competitive prices. We are committed to meeting and exceeding our clients' expectations, making every effort to provide value and reliability in our products and services.

Vision

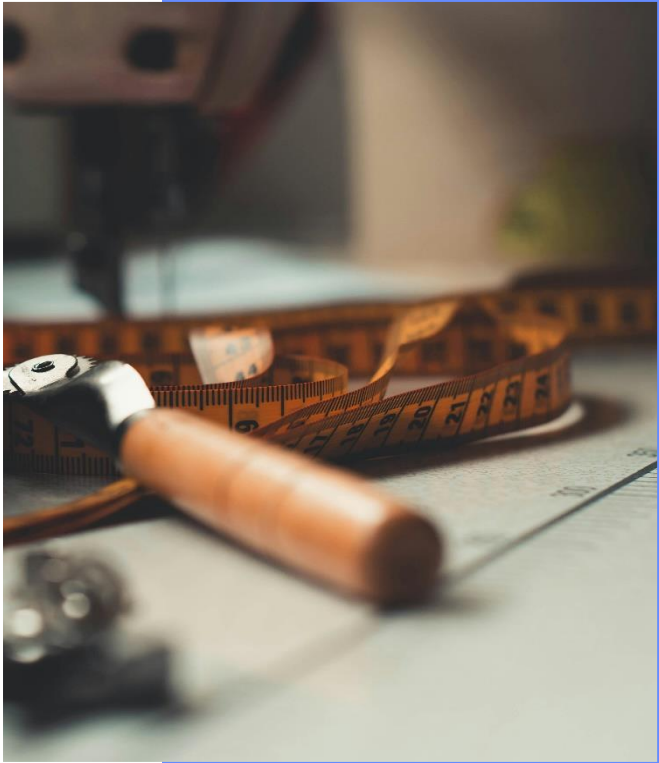

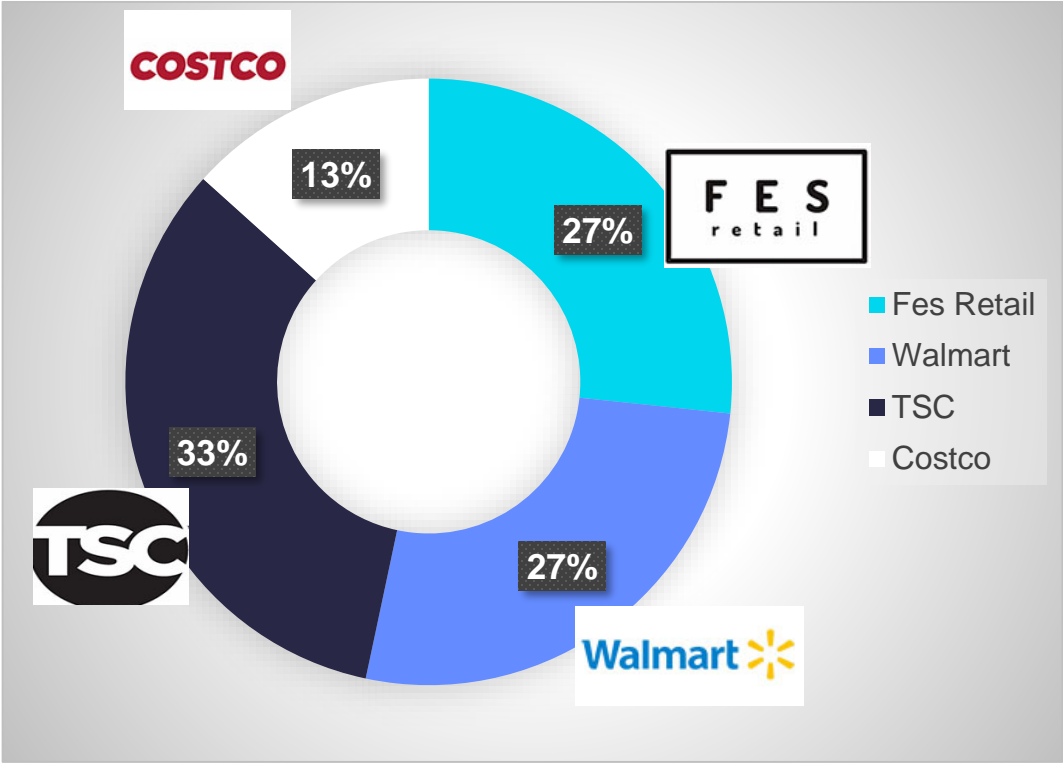

We aim to focus on continuous development and value addition to establish Style Bridge as a leading clothing supplier and maintain a strong market position. By constantly innovating and enhancing our offerings, we are dedicated to meeting the evolving needs of our clients and reinforcing our reputation in the industry.

Business Overview

- As a garments buying house, style bridge acts as an essential intermediary between apparel manufacturers and global retailers, facilitating the procurement of clothing while ensuring products meet specific requirements. Our business encompasses managing the entire supply chain—from sourcing and quality control to production and delivery.
- We work closely with manufacturers to guarantee that garments adhere to the highest standards in design, quality, and regulatory compliance. Our role is crucial in negotiating prices, coordinating logistics, and managing production timelines to align with our retailers' needs.
- Additionally, we oversee the sampling process, conduct factory audits, and ensure ethical practices throughout the supply chain. By leveraging our industry expertise and established relationships, we streamline the purchasing process for retailers, helping them navigate complexities and achieve efficiency in their operations.
- At Style Bridge, our commitment is to “Weave You” into a successful apparel journey, ensuring excellence at every step.

Our Partners

“Our energy and enthusiasm are contagious, driving us to make a lasting impact in the industry. We are inspired by the potential to innovate and elevate our offerings, ensuring that our contributions resonate with our clients and the communities we serve.”

Our Services

We offer a comprehensive range of services to streamline the apparel procurement process. Our team manages supplier sourcing, oversees product development, and ensures quality control throughout the manufacturing process. By coordinating design, sampling, and production, we help retailers and brands secure high-quality garments at competitive prices. Additionally, we handle logistics, compliance, and ethical standards, providing a seamless connection between manufacturers and global markets. Our expertise ensures efficient, reliable, and cost-effective procurement for our clients.

VENDOR SELECTION

- Product Range: The variety and diversity of products offered.
- Quality of Products: Adherence to high standards and specifications.
- Production Capacity: Ability to meet demand and scale operations.
- Facilities: Modern and well-maintained production environments.
- Financial Capability: Stability and resources to support operations.
- Technology Orientation: Use of advanced technologies and innovations.
- Manpower: Skilled workforce and training programs in place.
- Working Conditions: Safe and ethical environments for employees.
- Managerial Efficiency: Effectiveness of leadership and operational processes.
- Overall Quality Policy: Commitment to quality assurance and continuous improvement.

DEVELOPMENT & SAMPLING

We provide samples tailored to incorporate the colors, fabrics, and styles based on our buyers' specific requirements. Manufacturing samples in the quantities needed, we empower our customers to enhance their marketing efforts by offering them a competitive edge in their regions. This essential service allows our buyers to showcase their unique offerings and respond effectively to market demands.

DOCUMENTATION AND SHIPPING COORDINATION

Shipping documents are meticulously checked according to the buyer's instructions, and copies are sent to our buyers well in advance of the shipment. This proactive approach helps to avoid any discrepancies and ensures a smooth delivery process. We prioritize clear communication to keep our clients informed and confident in their shipments.

QUALITY MANAGEMENT

We closely monitor orders from the sampling stage through to shipment, providing our buyers with regular updates on the status of sampling, production, and delivery. Our proactive approach enables us to identify potential problem areas early and implement corrective measures to ensure timely product delivery. Each selected sample undergoes a detailed physical inspection based on buyer specifications, covering critical criteria such as design, shrinkage, accessories, appearance, markings, color, labeling, material, assortments, workmanship, measurements, and packing. This meticulous attention to detail ensures that we consistently meet our clients' expectations.

STATUS REPORTING

We provide status reports based on multi-stage inspections, which are transmitted to our buyers regularly. Production progress is carefully analyzed in relation to delivery timelines, allowing us to take appropriate actions to ensure timely delivery. Consignments are prepared for shipment only after they meet the high standards required by our buyers, guaranteeing quality and compliance before leaving our facility.
